1.0 Introduction

I warmly welcome you all to MTAC Nakawa and to this function in particular. MTAC is privileged to hold the 11th Graduation Ceremony in which we celebrate the tremendous success of **708 graduands** who completed their studies in different fields of study. Of the 708 graduands, **466 are females (66%) while the males account for 242 (34%).**

As MTAC, we are proud of the success registered by these graduands.

2.0 MTAC Strides FY 2024/25

OUR DEAR CHIEF GUEST,

This year's Graduation Theme is *"Building Capacity for Enterprise Development"*.

Further to the theme, allow me highlight some of the major achievements that were registered by MTAC since start of this financial year:

a) Job Creation Training: This programme is being offered at no cost to organised youths and women in all regions of this country. During the current

FY 2024/25, 1800 youths and women have benefited from this program. The overall purpose for this programme is to enhance the entrepreneurial ability of the beneficiaries. The beneficiaries are sensitized about job creation and equipped with skills in making different products including but not limited to: pavers, candles, sanitary pads, exercise books, soap (bar soap and liquid soap), bakery products, saloon products (jelly, shampoo etc), charcoal briquettes among others. This programme also supports organised groups in value addition for instance making wine among others. This programme has been widely appreciated by the recipients and the requests from the population for this programme are overwhelming. This programme would play a significant role in the realization of planned development through the Parish Development model.

- b) **Outreach Development:** MTAC has continued to operate 5 outreach centres across the country. These include: Mbarara, Ntungamo, Luweero, Iganga and Mbale. These Centres have been systematically operationalized in close collaboration with Local Government officials and the business community.
- c) **Infrastructural development:** We commissioned MTAC Ntungamo in November 2024 upon its completion. The MTAC Ntungamo, Kahunga Campus is now fully operational.

Construction works at MTAC Mbale commenced. Our partners at the Ministry of Works are supervising the works which are ongoing.

- d) **Improvements in the Vocational Training Infrastructure:** With acquisition of vocational equipment, MTAC has extended vocational training to centres in Mbale, Iganga and Ntungamo. The enrollment for vocational courses has more than doubled.

This is attributed to the decentralization of these courses at MTAC Centres and attraction of different partners.

3.0 Appreciation

During the FY 2024/2025, MTAC posted significant achievements. These achievements are essentially attributed to the team work featuring several stakeholders, including the oversight Ministry, Local Government Authorities, Management and Staff as well as our esteemed clients across the Country.

I wish therefore, on behalf of my colleagues, to express our gratitude to:

- a) Government of the Republic of Uganda for creating and enabling environment that promotes training and skills development;
- b) Hon. Mwebesa Francis, Minister of Trade, Industry and Cooperatives and his colleagues, Hon. Bahati David Minister of State for Industry, Hon. Gen. Mbadi, Minister of State for Trade and Hon. Ngobi Frederick Gume, Minister of State for Cooperatives for effectively playing the oversight role in superintending over MTAC to implement its mandate;
- c) The technical team at the Ministry of Trade, Industry and Cooperatives led by the Permanent Secretary, Ms. Lynette B. Bagonza for the tremendous support and wise counsel extended to MTAC, especially in the FY 2024/2025;
- d) The technical team at the Ministry of Works and Transport. The team developed the Architecture designs for this magnificent structure and have tirelessly supervised the Contractor up to where it is. As Management, we cannot take their availability for MTAC's work for granted and we shall be eternally grateful;
- e) The Local Government Officials of the different districts from

which MTAC has executed its mandate. These have extended immense support to MTAC which enabled our continued smooth operations;

- f) All my predecessor Executive Directors for the contribution made in the development of MTAC particularly Prof George Tumwesigye and his team who oversaw the establishment of MTAC Centres;
- g) Management and Staff for playing the role of shepherds for these graduands and for their continued loyalty, commitment and dedication in implementing MTAC's Strategic Plan. For all the successes, please thank this team that I work with, and for all the shortcomings, the blame is entirely mine;
- h) Parents, guardians/ sponsors for supporting the graduands up to this day;
- i) Guild leaders, past and present, from MTAC Nakawa and all our Outreach Centres for the supportive role given to Staff and Management in managing students' affairs;
- j) Uganda Vocational and Technical Examinations Board (UVTEB) for the award of Diplomas and Certificates for some of these graduands;
- k) MTAC Graduation Committee for successfully organizing this function;
- l) All the Alumni of MTAC for loving and supporting MTAC;
- m) All the suppliers and contractors of MTAC for their timely supplies;
- n) All MTAC partners, especially Hunger Fighters, Program for Accessible Health Communication and Education (PACE), Solid Rock Group (SRG), Brac Micro Finance, Sisters of Hope International (SOHI), Gal Forum International (GAFI), Centre for Community Development Initiative (CCDI), Johonet Vocational Institute (JVI), Micro Finance Support Centre (MSC), Uganda Small Scale Industries Association (USSIA), Love A Friend Initiative,

Federation of Kampala Hawkers and Vendors Association, Jesuit Refugee Service (JRS), Compassion Uganda (CU), Kairos International (KI), Meeting Point (MP), Chesire Uganda Ltd, Kampala Area Federation of Communities (KAFOC), Uganda Tailors Association (UTA), Waste Aid among others who have enabled MTAC to execute its mandate;

- o) The Academic Registrar and team; I am glad to inform you all that some of our graduands today have already picked their transcripts and those who have not, can pick their transcripts anytime. I wish to commend UVTEB, the Academic Registrar and the entire team for working tirelessly towards production of these documents in time.

Last but not least, the graduands. I am proud of you. You worked hard for this success. Please enjoy the day.

4.0 Message to the Graduands

Dear Graduands,

There are far, far better things ahead than any we leave behind. The future belongs to those who believe in the beauty of their dreams. I am here to tell you that whatever you think your dream is now, it will probably change. And that's okay. Education is our passport to the future, for tomorrow belongs to the people who prepare for it today. Decide to ground yourself in values that last, like honesty, hard work, responsibility, fairness, generosity, and respect for others. Shun behaviors that embarrass humanity like homosexuality and lesbianism. If you have not, it is time to chase every dream, accept every challenge, strive for greatness, honor every promise, and recommit to your community. No matter what happens in life, be good to people. Being good to people is a wonderful legacy to leave behind. Savor the taste

of your triumphs today, don't just swallow them all whole without digesting what is actually happening here. Look down over what you conquered and appreciate what God has brought you through.

I am really proud of your Class of 2025, and I cannot wait to see all your accomplishments in the next chapter. Congratulations to you all on your graduation. All of your hard work and perseverance have led you to this proud moment in your lives. Best wishes on your next adventure!

Thank you, parents, guardians and sponsors, for choosing MTAC, thank you graduands for choosing to study at MTAC and thank you dear guests for gracing our 11th Graduation Ceremony. MTAC will always be privileged to serve you.

5.0 Conclusion

Finally, I wish to appreciate the efforts of ministry officials particularly yourself, your colleague ministers and the technical staff in providing oversight and strategic guidance to us. This has kept us focused as an Institution and the evident growth signs are attributed to your immense support. May the Almighty God continue to bless you and your entire team abundantly.

I wish you success as proud alumnus of MTAC.
For God and My Country!!!

MESSAGE FROM THE ACADEMIC REGISTRAR

It is our pleasure on behalf of Management and staff of MTAC to welcome, our highly esteemed guests, families, guardians, friends, sponsors and above all our Graduands, to this memorable day and a milestone achievement in the lives of each one of us. It has been an atmosphere of excitement since this graduation announcement was made and this excitement has been about all of us represented here today. Congratulations!

We take this opportunity to thank Management, teaching and non-teaching staff for all the support that has made this day and dreams come true. Our dear parents/guardians are acknowledged for their never ending support. May God richly reward you.

Today as we celebrate each one of you and your individual academic achievements, it is the time when all those sleepless nights and hard work are rewarded and become worth all the effort. The discomfort and challenges that came along with this journey have made you a more stronger and confident person that you are today.

As MTAC fraternity we are so very proud of you. We are honoured to observe that these graduands, who came here one year or two years ago, some of them looking young and timid, have been groomed into responsible citizens, some already employed, while others are ready to face the world of work., We appreciate every form of contribution that was made that has made this celebration possible.

Congratulations once again and wishing you God's blessings.
